

E-Reg

Registration Renewals On Line

New Hampshire Department of Motor Vehicle has approved Interware Developments' **Web Based** system for New Hampshire Town Clerks and Tax Collectors to capture vehicle renewal information for local processing. Offered as an add-on for its popular ClerkWorks or integrates with existing MV systems E-Reg is designed to provide "Do-it-yourself" functionality to the clerks' office thus maximizing the efficiency of the office.

Low cost to the municipality, this "pay as you go" Web application allows residents to *renew* their vehicles via the internet utilizing their previously issued registration.

AUTOMATIC CALCULATION OF REGISTRATION

- Automatic calculation of local excise tax and applicable local agent fees – including municipality specific fees such as Reclamation Fees
- Automatic calculation of state registration fees including vanity plate and plate fees for all authorized plate types

CITIZEN FEATURES

- Allows Citizens to Renew their Motor Vehicle Permits/Registrations at Home, from their Office or at any public Internet Access point
- Low cost E-Checks used, not high cost Credit Cards
- Will process the only the town fees when a municipality is not a state Municipal Agent, for overweight vehicles, etc.
- All Plate Types accepted as well as municipal specific services i.e. weight restrictions
- Sends a confirmation email to citizen verifying the renewal information was received
- Performs Multiple Renewals On-Line with one shopping basket
- Commercial, Corporate & Residential renewals accepted
- Citizen option to mail checks or complete the payment process on line from checking account
- Citizen option to receive e-mail notification for renewals
- PIN issued on mail in notices and entered by citizen on line produces the entire renewal list. Great for Fleets!
- Estimate Screens to calculate fees on Renewals and New Vehicles direct to citizens (optional)
- Utilize the high citizen Internet use per capita
