

*Making government  
more efficient for all of us...*

## BOAT REGISTRATIONS

### BENEFITS

- Increased revenues for your municipality, including all local registration fees plus the boat agent fee of \$5.00 per boat.
- Boat registrations can be processed in any Municipal Agent office, regardless of citizen's primary residence.
- Added convenience for your customers, enabling them to complete all of their registrations at one location, your office.
- Maintain a local database for boat registrations your office has processed.
- Fee settle a boat right along with a motor vehicle.
- Boat transactions blend into existing financial reports.
- Easily integrated into ClerkWorks.

### TRANSACTION TYPES

- ✓ NEW REGISTRATION
- ✓ REGISTRATION RENEWAL
- ✓ REGISTRATION MAINT.
- ✓ REGISTRATION TRANSFER
- ✓ DUPLICATE REGISTRATION
- ✓ SEARCH REGISTRATION

### FEATURES

- Lookup by HIN, bow number, decal number or owner.
- Calculate credits quickly for all registration types
- Boat makes are included in a convenient drop-down menu built into the receipt screen.
- Boat information is automatically populated with known information directly from MAAP or manufacturer via HIN.
- Registration guidance offered through pop-up messages throughout transaction.
- Process a boat registration on the same receipt as a motor vehicle, dog license or point-of-sale item.
- Prepare and print a boat estimate for your customer for a new, renewal or transfer of a boat registration.
- State and local reports list transactions in order by decal for decal auditing.
- End of day MAAP financial closeout includes boat transactions along with all other MAAP transactions.
- Maintains a separate boat decal inventory within the current inventory system. You can type the decal in or pick from a list.
