## EB2Gov MUNICIPAL E-SERVICES

Put any payment online! A powerful, intuitive, and simple payment processing platform. Making and accepting online payments has never been so easy!

### EB2Gov

User friendly platform that allows assets across multiple municipalities to be paid for in a single and secure guest checkout.

### MyEB2Gov

The Citizen's Portal - Manage assets, schedule payments, view past activity, manage payment options, and set email preferences.

### EB2Gov DASHBOARD

The Municipal Portal - Customize your citizens' experience. Upload bills, modify verbiage, create new payment sites, and schedule site activations and suspensions as necessary.

## BENEFITS

- Low cost, simple and user-friendly
- Reduce office traffic while increasing local website visibility
- Launch page with custom verbiage and logo
- Easy setup, add new services at anytime
- Add multiple items to one shopping cart
- Speed revenue collection and increase your cash flow
- Local control of the process is maintained
- Custom instructions to prompt citizens for specific information
- Optional municipal fee added to cover processing or mailing costs
- Co-branding with municipal seal or logo
- Custom notes can be added to e-notices
- Dedicated to trust and security - PCI Compliant

## HOW IT WORKS

1. Customer locates account or types in necessary information and adds items to shopping cart
2. Customer reviews order information, accepts fees, and submits payment
3. Clerk receives transaction details and processes as they normally would
